Call for Paper

The **International journal of Computer Science & Emerging Technologies (IJCSET)** is a peer reviewed an online journal for professionals and researchers in the field of computer science. It is published bi-monthly. **IJCSET** provides the platform for the researchers to present and evaluate their work from both theoretical and technical aspects and to share their views. IJCSET invites the survey paper. Tutorial, short paper, technical notes as well as the result based papers.

Topics of interest include but not limited to:

- Application of Computer Science
- Data Bases and its applications
- Artificial Intelligence
- Networking
- Multimedia Systems and Technologies
- Data and Information Systems
- Machine Learning
- Discrete Mathematics
- E-Commerce & E-Business
- Computer Software / Hardware
- Algorithms & Algorithm Analysis
- Software Engineering
- Robotics and Computer Vision
- Information Technology
- Distributed Computer Systems
- Web Technologies
- Computational Statistics
- Computer Graphics

Authors are invited to submit papers by e-mail to ijcset.sub@gmail.com. Submissions must be original and should not have been published previously or be under consideration for publication while being evaluated by **IJCSET**. Before submission authors should carefully read over the journal's Author Guidelines.

Manuscript submission to: ijcset.sub@gmail.com
